

Clow Water Hosts 7th Annual Children's Calendar and Poster Contest

December 4, 2012

Clow Water Systems recently hosted its 7th Annual Children's Calendar and Poster Contest. Clow created this contest to raise awareness about the importance of environmental stewardship, personal health, and safety for the children of the Clow Water team. These values apply not only in the workplace but at home too!

Twelve lucky winners will appear in the 2013 Clow Water calendar with one grand prize winner featured on the cover. But all calendar and poster entries will proudly be displayed throughout the facility.

We want to congratulate everyone that participated in this year's competition and announce the following winners:
